C. **ASB Card:** ASB is the largest contributor of funds for the SRHS Women's Golf Team and athletics on our campus. Each player will need to purchase an ASB card (**\$15**) prior to receiving their uniform.

What you can do to get prepared:

1. **Golf Lessons...** Stadium Golf Center has a variety of PGA professionals that give golf lessons (for a fee). There are individual as well as group lessons available. Taking lessons during the summer will help you prepare for the season (though not required) as well as during the season if you decide to continue taking individual lessons.
